

## Assignment 3 / Uebung 3

Use the example of the backup system in Chapter 5.2 as described in the Lecture:

Write twice half a page of a hierarchical systems description for two passenger transport systems with the goal of a performance evaluation in mind.

- Swiss Style Public Transport System
  - SBB
    - VBZ
      - Bus Line
- US Style Airline System  
(e.g. Delta Air lines including long and short range service and complementary services like Hotelbus, Rent a Car)
